VeriTag

Martin Maxim, Nick Bilotti, Jud Turner, Peter Halvorsen

Sprint 3 Goal:

Work through the bulk of the rest of the MVP. Get all of the verified user functionality up and running correctly. Make sure the session is correctly logged in and can be transmitted to the website for the regular users to see. If we can get all of that correct we will move to the comments and then for the next sprint finish up the MVP with the regular users interactions.

Capacities

- Martin: 20 hour base capacity: 10 hours available
  - Spring break
- Nick: 20 hours base capacity: 10 hours available
  - Spring break
- Jud: 20 hours base capacity: 10 hours available
  - Spring break
- Peter: 20 hours base capacity: 10 hours available
  - Spring break
